Our facility is equipped with advanced machinery to ensure high precision, consistent quality and fast turnaround for all HVAC duct and fabrication needs.

OUR KEY MACHINERY

01

CNC LASER CUTTING MACHINE

- ✓ High precision cutting for all sheet metal
- ✓ Clean edges with minimal material waste
- ✓ Max cutting thickness up to 50mm

02

PRESS BRAKE MACHINE

- ✓ High accuracy bending for duct panels
- ✓ CNC controlled for consistent results
- ✓ Capacity up to 3100mm length

03

SHEARING MACHINE

- ✓ High speed and precision cutting
- ✓ Smooth and burr-free sheet edge
- ✓ Capacity up to 6mm thickness

04

LOCK FORMING MACHINE

- ✓ Precision lock forming for duct fabrication
- ✓ Strong and uniform lock quality
- ✓ Supports various flange profiles

05

WELDING EQUIPMENT

- ✓ MIG / TIG welding for steel & SS
- ✓ Strong, clean and leak-proof joints
- ✓ Skilled operators for best quality

Company Profile

www.honorcocreate.com

OUR HVAC DUCT PRODUCTS

We manufacture a wide range of high-quality HVAC duct systems and components to meet the requirements of commercial, industrial and infrastructure projects.

RECTANGULAR DUCT SYSTEMS

RECTANGULAR DUCT

Standard rectangular ducts in various sizes and gauges.

ELBOW

Rectangular elbows for smooth airflow and pressure control.

TEE

Rectangular tee connections for branching systems.

S-BEND / OFFSET

S-bend and offset sections for space optimization.

SILENCER

Duct silencers for noise reduction and acoustic control.

VOLUME CONTROL DAMPER

Manual volume control dampers for airflow regulation.

FIRE DAMPER / CONTROL VALVE

Fire dampers and control valves for safety and compliance.

INSULATED DUCT

Thermal & acoustic insulated ducts for energy efficiency.

DUCT FLANGE

Flanged duct ends for easy connection and installation.

DUCT CORNER

Internal & external corners for secure and neat joints.

ACCESS DOOR

Access doors for inspection and maintenance.

FLEXIBLE CONNECTOR

Flexible connectors absorb vibration and reduce noise transfer.

ROUND DUCT SYSTEMS

SPIRAL DUCT

Spiral ducts for high strength and leak-free performance.

45° / 90° ELBOW

Round elbows for smooth directional change.

ROUND TEE

Round tee connections for branching ducts.

REDUCER

Round reducers for efficient airflow transition.

VOLUME DAMPER

Round volume damper for airflow balancing.

FLEXIBLE DUCT

Flexible ducts for easy connection and vibration absorption.

APPLICATIONS

COMMERCIAL BUILDINGS

INDUSTRIAL FACILITIES

HOSPITALS & HEALTHCARE

HOTELS & HOSPITALITY

RETAIL & SHOPPING MALLS

FOOD & BEVERAGE INDUSTRY

PREMIUM MATERIALS

High quality GI sheets ensuring durability and corrosion resistance.

EXACTING STANDARDS

Manufactured as per SMACNA, DW 144 and international standards.

PRECISION FABRICATION

Accurate dimensions and tight tolerances for perfect fit and performance.

OPTIMAL AIRFLOW

Designed for maximum efficiency, minimal pressure drop and low noise.

CUSTOM SOLUTIONS

Special sizes and customized components as per project requirements.

TIMELY DELIVERY

Commitment to on-time delivery and project schedules.

QUALITY ASSURANCE & TESTING

Quality is at the core of everything we do. Our quality control process ensures that every product we manufacture meets international standards and exceeds customer expectations.

OUR QUALITY COMMITMENT

- Deliver defect-free products that meet project specifications
- Implement strict quality control at every stage

OUR PROJECTS

We take pride in delivering high-quality HVAC duct systems and components for a wide range of projects across various industries. Here are some of our successfully completed projects.

01

High efficiency duct systems for a large-scale warehouse facility ensuring optimal airflow and energy efficiency.

INDUSTRIAL WAREHOUSE FACILITY

- Location:** Riyadh, KSA
- Client:** Confidential
- Scope:** Supply & Installation of HVAC Duct Systems
- Products:** Rectangular Ducts, Fittings, Dampers
- Project Size:** 120,000 CFM
- Completion:** Jan 2024

02

Precision engineered ductwork for a multi-story hospital ensuring clean air distribution and compliance with healthcare standards.

PRIVATE HOSPITAL PROJECT

- Location:** Jeddah, KSA
- Client:** Confidential
- Scope:** Supply of HVAC Ductwork & Accessories
- Products:** GI Ducts, Dampers, Diffusers
- Project Size:** 85,000 CFM
- Completion:** Nov 2023

03

Custom HVAC duct solutions for a multi-purpose shopping mall ensuring comfort and energy performance.

SHOPPING MALL COMPLEX

- Location:** Dammam, KSA
- Client:** Confidential
- Scope:** Supply of HVAC Ducting System
- Products:** Rectangular Ducts, Fire Dampers, Grilles
- Project Size:** 150,000 CFM
- Completion:** Aug 2023

04

Durable and high-performance duct systems for industrial environment with high dust and heat conditions.

MANUFACTURING PLANT

- Location:** Jubail, KSA
- Client:** Confidential
- Scope:** Supply & Installation of HVAC Duct Systems
- Products:** Spiral Ducts, Elbows, Access Doors
- Project Size:** 95,000 CFM

WHY CLIENTS CHOOSE US

PROVEN EXPERIENCE

Years of experience in delivering complex HVAC projects on time and within budget.

QUALITY THAT LASTS

We use premium materials and follow strict quality standards to ensure durability and performance.

CLIENT FOCUSED

We work closely with our clients to understand their needs and deliver tailored solutions.

ON-TIME DELIVERY

Efficient planning, organized workflow and strong logistics ensure timely project delivery.

SAFETY FIRST

We adhere to HSE standards and prioritize safety at every stage of our projects.

INDUSTRIES WE SERVE

Our HVAC duct systems and components are trusted by leading businesses across a wide range of industries.

COMMERCIAL BUILDINGS Efficient HVAC solutions for offices, corporate buildings and business centers.	INDUSTRIAL FACILITIES Durable duct systems for manufacturing plants, factories and warehouses.	HEALTHCARE Clean, safe and reliable air distribution for hospitals and medical facilities.	RETAIL & SHOPPING MALLS Comfortable and energy-efficient environments for retail spaces.	HOSPITALITY Customized HVAC solutions for hotels, resorts and hospitality venues.	EDUCATIONAL INSTITUTIONS Safe and efficient ventilation systems for schools, colleges and universities.

WHAT OUR CLIENTS SAY

“★★★★★ Honor Co-Crete Ltd delivered exceptional ductwork quality for our project. Their professionalism, timely delivery and attention to detail are truly impressive. – Project Manager Leading Construction Company	“★★★★★ We highly appreciate their commitment to quality and safety. The HVAC systems supplied by Honor Co-Crete exceeded our expectations. – MEP Director Industrial Facility Project	“★★★★★ Reliable partner with outstanding support and custom solutions.
